

PERMIT APPLICATION: NRS #05-335

APPLICANT: Industrial Development Board of McMinnville-Warren County
110 South Court Square
McMinnville, TN 37111-0574
(931) 474-4769

LOCATION: Project is located northeast of Morrison, north of State Route 55; Morrison Tool and Fab property in the Mountain View Industrial Park; Morrison, Warren County.

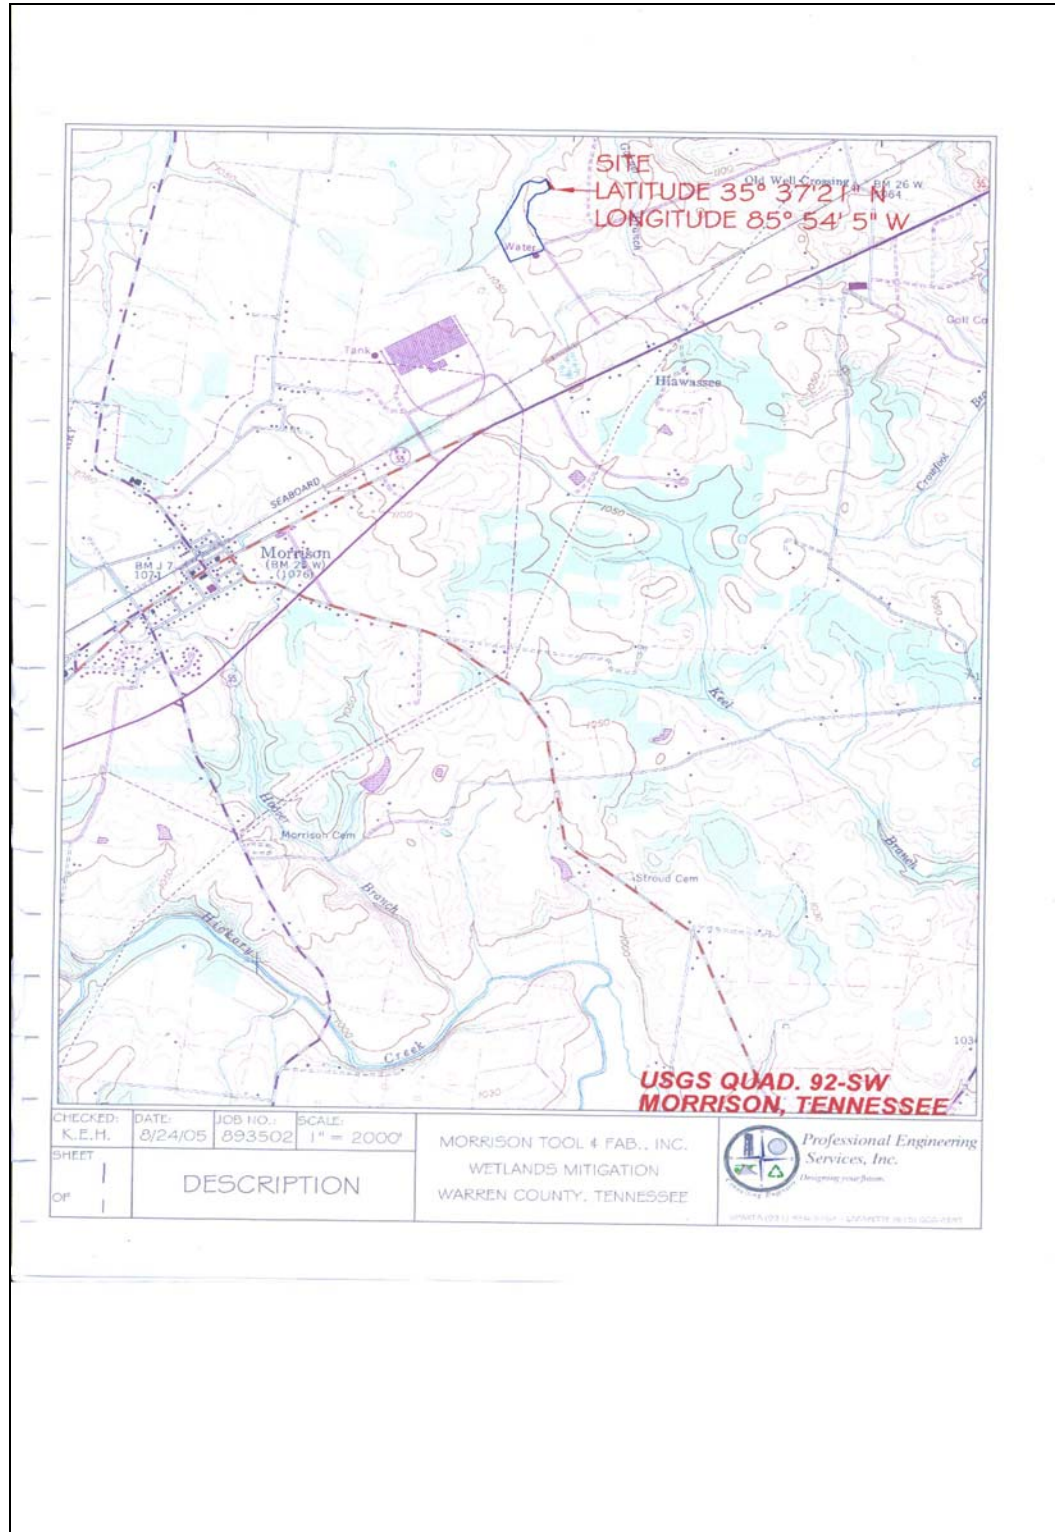

WATERSHED DESCRIPTION: Surrounding land use is a mixture of industrial, open fields and small woodlots. The wetland to be impacted was recently restored due to a previous unauthorized activity. It is the upper end of a larger wetland that is part farmed wetland, herbaceous and wooded wetland.

PROJECT DESCRIPTION: The applicant proposes to expand the Morrison Tool and Fab manufacturing facility. The construction of the facility will require the placement of fill in 0.21 acres of jurisdictional wetland. Compensatory wetland mitigation will occur onsite with the enhancement of 1.32 acres of the lower herbaceous portion of the 15.23 acre wetland. Mitigation will involve the planting of primarily mast producing species at 400 seedlings/acre. The mitigation site will be monitored with annual reports submitted to this office.
